TECHNOLOGY

DISCUSS PLANS FOR UPGRADING YOUR TECHNOLOGY SKILLS.

- Currently I am pursuing frontend development

- There are so many tools are available for design and development.

- Now a days I am searching on google W3school, latest tools and latest news about frontend.

- I am also searching how to design and development quickly and with less code.

MENTION ANY RELEVANT COURSES, CERTIFICATIONS, OR RESOURCES YOU ARE PURSUING.
SHARE YOUR APPROACH TO CONTINUOUS LEARNING AND PROFESSIONAL DEVELOPMENT.

- There are so many certificated courses available for frontend.
- I want to gain my knowledge about latest tools of IT field.
- I am continuous learning about interested technology and I am searching how I can be expert in frontend and how I can get professionalism in design and development.
